

PARKING LOT REQUIREMENTS

WE ARE VERY CONCERNED ABOUT THE SAFETY OF THE STUDENTS....PLEASE HELP US BY FOLLOWING THE SIMPLE RULES BELOW.

1. Speed limit is **10** miles per hour....**PLEASE**.... slower during bad weather.
2. Please do not drive across the playground area at **ANY TIME**. The walls of the school, the gymnasium and the grass at the rear of the parking lot are the boundary limits. During bad weather you may drop off your students at the gymnasium.
3. When dropping anyone off – pull your car into the parking lot at the rear of the church. The students will then cross at the crosswalk. Please leave the parking lot by the lower exit (lower side of the church). This will prevent a backup of cars and will give the busses room to pull in and discharge students. **DO NOT STOP IN THE MIDDLE OF THE ROAD** (between the school and church) to drop off or pick up your child. This creates a very dangerous situation.
4. Students walking across to the high school **MUST** use the crosswalk.
5. Students who drive to school need to remember that driving and parking on school property is a privilege. If they don't abide by the rules, their privilege will be revoked.
6. Please park in the parking lot and not beside the church sidewalk. Parents pulling out from along the sidewalk are not looking to see if there are any students either in front of behind their cars.

PLEASE! DRIVE CAREFULLY AND COURTEOUSLY!

PLEASE HELP US MAKE THIS A SAFE PLACE FOR YOUR CHILDREN!
