Box tops bring in about \$1,600.00 a year to BCCS . This is a very easy way to raise money. There are collection containers in the school office. If you know of a place you could put a container please pick one up at the office. (call first to make sure one is available) You can put them in your church, apartment buildings, at work, fire halls etc. Have your neighbors and friends save them, you can even have families that live out of the area save them. Let's try to double if not triple this amount by next year.

Welcome

Nourishing people's lives everywhere, every day. Please continue to save campbells soup UPC symbols. This helps the school get products either for the office or the class rooms. Please remember we do not want the entire label. **Please cut out the UPC symbol only.** The school was able to get a fax machine for the office by saving these UPC symbols. **These UPC's can also be put in the collection boxes with box tops.**

Another program that really helps the school is Martin's A+ program. The number you want to register your card with is 00017. You can either register on line at MARTIN'SAplus.com or stop in at the customer service desk. This program brings in about \$560.00 a year. (only runs during the school year)

If you shop at target you may want to consider getting a target red card. Go to target.com or see a store associate for more details on this program. The school received about \$60.00 last year by participating in this program.
